PURPOSE AND CONTENTS OF THIS MAP

This map dated 03/30/2012 shows the National Forest System roads, National Forest System trails, and the areas on National Forest System lands in the Bighorn National Forest that are designated for motor vehicle use pursuant to 36 CFR 212.51. The map also contains a list of those designated roads, trails, and areas that enumerates the types of vehicles that are allowed on each route and in each area and any seasonal restrictions that apply on those routes and in those areas.

Designation of a road, trail, or area for motor vehicle use by a particular class of vehicle under 36 CFR 212.51 should not be interpreted as encouraging or inviting use, or to imply that the road, trail or area is passable, actively maintained, or safe for travel. Motor vehicle designations include parking along designated routes and at facilities associated with designated routes when it is safe to do so and when not causing damage to National Forest System resources. Seasonal weather conditions and natural events may render designated routes and trails impassable for extended periods. Designated areas may contain dangerous or impassable terrain. Many designated roads and trails may be passable only by high-clearance vehicles or four-wheel drive vehicles. Maintenance of designated roads and trails will depend on available resources, and many may receive little maintenance.

This motor vehicle use map identifies those roads, trails, and areas designated for the motor vehicle use under 36 CFR 212.51 for the purpose of enforcing the prohibition at 36 CFR 261.13. This is a limited purpose. The other public roads are shown for information and navigation purposes only and are not subject to designation under the Forest Service travel management regulation.

**These designations apply only to National Forest System roads, National Forest System trails, and areas on National Forest System lands.**

OPERATOR RESPONSIBILITIES

Operating a motor vehicle on National Forest System roads, National Forest System trails, and in areas on National Forest System lands carries a greater responsibility than operating that vehicle in a city or other developed setting. Not only must the motor vehicle operators know and follow all applicable traffic laws, but they need to show concern for the environment as well as other forest users. The misuse of motor vehicles can lead to the temporary or permanent closure of any designated road, trail, or area. Operators of motor vehicles are subject to State traffic law, including State requirements for licensing, registration, and operation of the vehicle in question.

Motor vehicle use, especially off-highway vehicle use, involves inherent risks that may cause property damage, serious injury, and possibly death to participants. Riders should drive cautiously and anticipate rough surfaces and features, such as snow, mud, vegetation, and water crossings common to remote driving conditions. Participants voluntarily assume full responsibility for these damages, risks, and dangers. Motor vehicle operators should take care at all times to protect themselves and those under their responsibility.

Much of the Bighorn National Forest is remote, and medical assistance may not be readily available. Cellular telephones do not work in many areas of the Bighorn National Forest. Operators should take adequate food, water, first aid supplies, and other equipment appropriate for the conditions and expected weather.

**ALWAYS REMEMBER TO RESPECT PRIVATE LAND! PROTECT YOUR PRIVILEGE. STAY ON DESIGNATED ROADS, TRAILS AND IN DESIGNATED AREAS.**

You should read and understand this map in its entirety. If you have questions, please contact the Bighorn National Forest for clarification.

Road, trail, and area users must comply with this map, as well as all Federal, State, and local laws and regulations. Compliance with these rules is the responsibility of the user.

PROHIBITIONS

It is prohibited to possess or operate a motor vehicle on National Forest System lands on the Bighorn National Forest other than in accordance with these designations (36 CFR 261.13).

Violations of 36 CFR 261.13 are subject to a fine of up to \$5,000 or imprisonment for up to 6 months or both (18 U.S.C. 357 (e)). This prohibition applies regardless of the presence or absence of signs.

This map does not display non motorized uses, over-snow uses, or other facilities and attractions on the Bighorn National Forest. Obtain a forest visitor map for more complete information.

Designated roads, trails and areas may also be subject to temporary, emergency closures, and visitors must comply with signs notifying them of such restrictions. A national forest may issue an order to close a road, trail or area on a temporary basis to protect the life, health, or safety of forest visitors or the natural or cultural resources in these areas. Such a temporary and/or emergency closures are consistent with the Travel Management Rule (36 CFR 212.52(b); 36 CFR 261 support 6).

The designation "road or trail open to all motor vehicles" does not supersede vehicle size or weight limits imposed through State traffic law.

EXPLANATION OF LEGEND ITEMS

Roads Open to All Vehicles:

These roads are open to all motor vehicles, including smaller off highway vehicles that may not be licensed for highway use (but not to oversize or overweight vehicles under State traffic law).

Trails Open to Vehicles 50" or Less in Width:

These trails are open only to motor vehicles less than 50 inches in width at the widest point on the vehicle.

Trails Open to Motorcycles Only:

..... These trails are open only to motorcycles. Sidecars are not permitted.

Special Vehicle Designation:

This symbol indicates that the road or trail is open to classes of vehicles other than those listed above. Refer to the Seasonal and Special Designation Table on reverse side of map for further instructions.

Seasonal Designation:

This symbol, used in conjunction with one of the other road or trail symbols, indicates that the road or trail is open only during certain portions of the year. Refer to the Seasonal and Special Designation Table on the reverse side of map for further instructions.

Dispersed Camping:

⋮ ⋮ ⋮ This symbol is used along with a designated road or trail to indicate that limited cross-country motor vehicle use is allowed within a specific distance of that route, solely for the purpose of dispersed camping. Refer to the Dispersed Camping Table on the reverse side of map for specifics.

Motorized Trail Access:

 This symbol indicates a trail head for access to a motorized route. Not all motorized routes have trailheads and those that do may range from primitive to developed.

BLANKET STATEMENT FOR TRAVEL MANAGEMENT.

"Between Sept 11th and May 31st, the limited motor vehicle cross-country dispersed camping restrictions are lifted on the north end of the forest with the exception of the Medicine Wheel National Historic Landmark (FSR 12). This means that motor vehicle cross country travel for dispersed camping within 300' of either side is lifted for the following roads: Hwy 14, Hwy 14a, FSR 26, FSR 16, FSR 125, FSR 13 and FSR 137".

The main map displays the Bighorn National Forest area, showing a network of roads and trails. Roads are marked with solid lines, and trails are marked with dashed lines. The map includes a grid with coordinates ranging from 260000 to 350000 on the x-axis and 4650000 to 4950000 on the y-axis. Key locations labeled include Lovell, WY, To Dayton, WY, To Shell, WY, To Hyattville, WY, To Tensleep, WY, and To Buffalo, WY. A text box in the lower right corner states: "See reverse side of map for 'Seasonal and Special Vehicle Designations' and 'Dispersed Camping' tables." The map also shows various numbered points and areas, including the Cloud Peak Wilderness.
